

# Freelancer Worksheet #2

## Get Your First Job

Write ten emails to business owners and offer them your services for \$200 per month. Make it valuable to them! Some ideas, what you could offer them:

- create a social media account
- write blog articles
- do administrative things
- ask them what they need to pay \$200 per month

Who?	What? (Value!)	Done

## Choose a Freelancer Platform

Platforms are a good place to start from. Create an account on each of the following platforms and get to know how each platform works.

- [fiverr.com](https://www.fiverr.com)
- [freelancer.com](https://www.freelancer.com)
- [upwork.com](https://www.upwork.com)

Evaluate the platforms by writing down two advantages and two disadvantages of each platform.

<b>fiverr.com</b>	<b>freelancer.com</b>	<b>upwork.com</b>
